Continuing Education Credit Information

For AICP credits:
Visit www.planning.org/cm/search
<http://www.planning.org/cm/search> and follow these steps to log the event on our new website:
1) Login using your ID# and password.
2) Click Activities by Provider (Green link near the search field)
3) Locate Congress for the New Urbanism (under C) and click it once. You will see four tabs to choose from, past event, upcoming events, distance learning, and comments- choose past events.
4) Once you have located your event, the Transportation Summit 2008, click on it once and a pop out box will appear.
5) Under the Add to my log tab rate the event and check off the ethical obligation and press submit.

You don't need to sign any forms at the event, but do keep track of which sessions you attended.

AICP Credits applied for:
Day 1: 8 credit hours
Day 2: 7 credit hours
Day 3: 1.75 credit hours (Pending)

For AIA credits:
CNU is registered with the American Institute of Architects' Continuing Education System (AIA/CES) to provide learning units at a ratio of one credit per hour of instruction. At each session where a credit is offered, the attendees seeking the credits are required to fill out the session's sign-up sheet providing their complete name and AIA number. Attendees are required to attend the session for which they are seeking the credit. CNU will then report the attendance lists to the AIA for credit allocation, as well as provide a certificate of completion to participants. All days qualify for HSW credit.

AIA Credits received:
Credit for Day 1: 7.25 credit hours

Credit for Day 2: 7.5 credit hours
Credit for Day 3: 1.75 credit hour
