

Senior Planner

We bring together the places that make communities feel like home whether it's an urban park, a commercial plaza, or a residential neighborhood. We do this because we're part of the community too and we care about the places where we live—just as much as you do. Join the team that truly designs with community in mind.

Our **Charlotte, NC** office has an opportunity for a **Senior Planner** within our Community Development Group.

Responsibilities:

Stantec's Urban Places Group continues to grow in Charlotte, NC. This time we are looking to add a responsible, highly-motivated person to a practice focused on regional growth studies, scenario planning, strategic plans, comprehensive plans, corridor studies, and urban analytics. A strong technical background in these areas is essential for the successful candidate, along with leadership skills and client management experience sufficient to work with UPG leadership in all phases of consulting — business development, project management, thought leadership, production resources, mentoring young staff, and professional development. The successful candidate should expect to manage projects (or portions of very large projects) from day one of employment.

Please see <http://www.stantec.com/our-work/sectors/community-development/urban-places.html> for more information about Stantec's Urban Places Group.

Qualifications:

- Bachelors or Master's Degree in Planning
- 5-10 years' experience working in the private sector
- Preferred candidates will have experience in ArcGIS, CommunityViz, Adobe Creative Suite, and Microsoft Office.
- Travel in the United States and Canada may be required to serve our clients.

Candidates can apply directly through our website at Stantec.com/Senior Planner with their cover letter and resume. Please note that only those selected for an interview will be contacted.

Stantec is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.
