Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. Motion passed with 18 votes in favor and one abstention (Laura Heery).

**Motion 1C:** to approve the creation of a policy proposal for the election of Board officers as recommended by the Governance Committee by Dan Slone. Seconded by Bob Chapman.

Proposal: The Executive Committee shall create a proposed policy for the election of Board officers which shall specify the annual date of elections (which shall not vary from year-to-year), the process for nominations for office (including whether self-nominations are permitted), a process by which a candidate can present their qualifications to the Board and answer questions, and a ballot process for the election. Such proposed policy will be subject to Board approval and amendment.

**Friendly Amendment:** requested by Eliza Harris Juliano to change “annual date of elections” to “annual time of elections.”

Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. All in favor, passed unanimously with the inclusion of the friendly amendment.

**Motion 2:** to adopt the amendments to the By-laws as recommended by the Governance Committee by Dan Slone. These proposed changes will not take effect until after the next board meeting (June 2016). In the meantime, the board will consider term extensions for Laura Heery, Bob Chapman, and Scott Bernstein. If the Board approves their extension, Bernstein, Heery, and Chapman will be extended through 2018. Seconded by Eliza Harris Juliano.

Proposal: The By-laws of the CNU are hereby amended to affect the following, replacing existing provisions as appropriate:

- All Board members shall serve a three-year term, subject to a maximum of six years on the Board;
- The term and maximum service of a Board member who has been elected to serve as Chair-Elect in the last year of their term shall be extended by one year so that they can serve as chair, and
- The terms of existing Board members shall be used, to the extent possible, to achieve a term expiration of approximately one-third of Board members each year. The term provisions implemented hereby shall not be deemed to extend or shorten the present term of any Board member.

Discussion: Prior to CNU24, the Board will hold a call to make this decision.

Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. All in favor, passed unanimously.
Motion 3: to approved the amendments to the By-laws with regard to the size of the Board as recommended by the Governance Committee by Dan Slone. Seconded by Lynn Richards.

Proposal: The maximum number of Board members shall be 12 (13 in any year where the Chairman’s term has been extended by a year); If, at the time or this amendment, the size of the Board exceeds 12, then the Board may take up to two years to achieve the required size of Board, using voluntary resignations and the natural attrition of term ends to reduce the numbers.

Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. All in favor, passed unanimously.

Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. All in favor, passed unanimously.

Motion 5: to approve the amendments to the By-laws with regard to the CEO’s vote as recommended by the Governance Committee by Dan Slone. Seconded by Jennifer Hurley

Proposal: The By-laws of the CNU are hereby amended to affect the following, replacing existing provisions as appropriate:

• The President/CEO shall be a non-voting ex-officio member of the Board, but shall retain the right to vote on all Board committees.

Vote: Scott Polikov, Russ Preston (Secretary), and Ken Voigt absent from vote. Motion passed with 11 votes in favor, one abstention, and one opposition.

Discussion: Ex-officio status is best practice for a nonprofit president/CEO. It allows the individual to participate in board discussion, but not to vote, thereby avoiding an accumulation of power.
Motion 6: to approve the minimum standards in nominating new Board members as recommended by the Governance Committee by Dan Slone. Seconded by Laurie Volk.

Proposal: The Executive Committee will create a new nominating committee who will develop prerequisite standards for the appointment, reappointment, or election of Board members and, in conjunction with the Diversity Committee, develop a process for the nomination of Board members. Such standards and process will be subject to approval by the Board. Until substitute standards are approved by the Board, the standards outlined above will apply to each undertaking. The nominating committee will utilize second term Board members to review and make recommendations regarding the reappointment of Board members and shall include non-Board members in its process of considering new Board members. The timing and procedures for election and appointments shall be set by policy approved by the Board.

Friendly Amendment: It was decided the minimum standard that requires an elected position to have at least two years’ experience serving on the board of a non-profit include “or equivalent experience”. The final requirement is as follows:

• They have at least two years’ experience in serving on a board of a non-profit, or equivalent experience;

Proposal: The board of the CNU believes that increasing the diversity in its annual Congress and programs is important and, as an initial step, instructs the CEO to take steps to improve the gender and ethnic diversity of session panels and tours at future Congresses, including Detroit. To support this effort, the CEO is to solicit the names of potential speakers and tour guides from board members and other sources and utilize these in working with session and tour organizers.
