CNU Accreditation Continuing Education Tracking Form

CNU-Accredited members are required to complete eight CNU-A learning hours (8 LHs) of CNU-approved continuing education every year. One LH is equivalent to 45-minutes to one hour of learning. CNU will conduct a yearly audit of a random sample of members to check for compliance.

This form is designed to help you track your attendance at continuing education courses and sessions.

Please submit questions via email to accreditation@cnu.org
