

Planning Manager

We seek an experienced Planning Manager to lead the Planning Division of the City of Largo Community Development Department. The successful candidate will provide overall management of both the day to day and long range work of the Planning Division and will lead complex and sensitive professional planning projects. The Division coordinates the citywide development review process as well as state mandated comprehensive planning activities. This position represents the City on all matters requiring professional planning oversight, serves as liaison to the Planning Board and Community Development Advisory Board and represents the Department on planning issues to the City Commission.

During the next two years, this position will take the lead on the creation of master plans and standards for Activity Centers and a major multimodal corridor, based on the policy goals contained in the City's Strategic Plan. Also, this position will play a major role in the department wide implementation of new permitting and development review software. In addition, the candidate we seek will have exemplary communications skills and proven best practice leadership and supervisory skills.

Where you choose to work is one of the most important decisions you can make. We strive to identify a strong, diverse candidate pool and hire the best of the best ... then engage our highly talented team with interesting and challenging work! Largo employees enjoy excellent benefits, wellness offerings, competitive pay, and outstanding training & professional development opportunities, and provides a friendly, supportive workplace.

Providing the Largo community with superior services in a welcoming and informative manner is our goal. When you decide that you are ready to propel your career to the next level and want to have an immediate impact on improving community issues, consider becoming part of our team!
