- Explanation of the financial dashboard
  - In order to update the Board on the status of CNU’s finances, each Board Packet includes a financial dashboard that itemizes the revenues and expenses of a few major projects. The dashboard also includes a cash flow chart that depicts where CNU’s finances are in comparison to past years.
Financial Reserves—each month CNU deposits $1,000 into a savings account to build the reserves.

**Vote:** All in favor, motion passed.

### Strategic Plan—Presented by Lynn Richards (President & CEO)

Lynn Richards asks each of the Board members to hold listening sessions with both members and non-members to learn more about the placemaking trends to inform the next strategic plan. CNU staff is available to help schedule calls if needed.

### Potential Involvement in China—Presented by Lynn Richards (President & CEO)

Partnering with the Energy Foundation and Peter Calthorpe’s office, CNU has the opportunity to become a training provider for the Chinese government. Currently, international work is not included in the strategic plan.

Lynn Richards (President & CEO) sees three possible options for moving forward:
1. Modify the Strategic Plan at the December Board Meeting to include an emphasis on international work
2. Modify the Strategic Plan if and when an MOU is signed (likely to be in April 2018)
3. Wait to include international work on the next strategic plan

The Board agrees that CNU should wait to include international work until the next strategic plan.

Performance Metrics —Presented by Lynn Richards (President & CEO)

CNU does not have performance metrics for the organization or the movement. As a starting place, CNU has begun identifying those metrics that can be easily measured.

Recommendations from the Board:
- Consider preparing annual or bi-annual member surveys
- Identify one impact measure for the organization
- Identify what story the metrics tell, the story is more important than the metric itself

Eliza Harris Juliano, Board Chair called the meeting to order at 9:03 AM ET. A quorum was present.

Charter Awards —Presented by Jennifer Hurley

Proposal:
• The Charter Awards should grant a very limited number of “best of” awards.
• The Charter Awards should develop a special "emerging talent" award open only to new firms, small firms, or young professionals.
• The Board should select one or a very few Charter elements to highlight in the Call for Applications.
• The vast majority of Charter Awards should be granted to built projects, but the program should also have a limited number of awards to unrealized projects.
• The definition of “built project” must vary by project scale.

Discussion:
• The Board is concerned that the “emerging talent” category will lower the standard of the award. The details for how the emerging talent submissions might work need to be fleshed out further.

Motion: to approve Maurice Cox as the 2018 Charter Awards Jury Co-Chair by Susan Henderson. Seconded by Matt Lewis (Secretary)

Vote: All in favor, motion passed.

Fellows—Presented by Eliza Harris Juliano

Proposal:
• The 2018 class of Fellows should be selected at the December board meeting if possible. In order to develop this list efficiently, the Board may select an ad hoc committee to propose a slate at our next board meeting consisting of three to four nominees. Note that this year, there are already some suggested nominees based on previous year’s work.
For 2019 and beyond. The Executive Committee of the Board may appoint a selection committee by the spring of each year consisting of one Board Member, one Founder, one Fellow, and one other CNU member. This committee shall propose a slate prior to the December meeting of the Board, consisting of three to four qualified candidates representing the values, accomplishments, and diversity of CNU. The fourth member of the committee should represent a unique perspective on CNU such as a NextGen member or someone with knowledge of a diverse network of contributors that complements the rest of the committee.

Motion: to create an ad hoc committee to propose a slate Fellows at the December Board Meeting consisting of three to four nominees for the 2018 Class of Fellows by Michaele Pride (Chair Elect). Seconded by Laurie Volk (Treasurer).

Discussion: The 2018 ad hoc committee will consist of Matt Lewis (committee chair), Susan Henderson, and Emily Talen. Lynn Richards (President & CEO) will act as an advisor to the ad hoc committee.

Vote: One abstention, four votes against, four votes in favor, motion passed with the tie breaking vote in favor cast by the President & CEO with the consent of the Board members present.
