

DISTRICT WHARF

S P O N S O R S H I P

The Wharf: Urban Waterfront Transformation and Placemaking. The Congress for the New Urbanism (CNU) DC Chapter and The Wharf are organizing an all-day symposium and tour of this stellar addition to DC's waterfront. A renowned group of speakers involved in the project will address the history of the site, design and planning, development, placemaking strategies, community engagement, and sustainability.

SPONSORSHIP

Sponsoring the event is an excellent way to demonstrate leadership and support for design values embodied in new urbanism. Sponsorship can leverage the DC Chapter to continue providing informative programs to an eager DC audience — supporting government and businesses' continued learning, catalyzing local community engagement, and connecting thought leaders, communities, and business leaders with design professionals in the areas of education, design, development, health, sustainability, and transportation. Additionally, sponsorship permits the Chapter to provide scholarships to young professionals who have never attended a national CNU congress.

Friday, May 17, 2019
8:00 AM to 3:00 PM
(Lunch will be provided)
